

Anders. Always On.

Anders is a CPA and advisory firm serving privately held companies and high net worth individuals. We free our clients to do more in their professional and personal lives with a combination of traditional and consultative accounting services.

WE'RE PROVEN. Our extensive experience means we know what works for you – and we have the expertise to help you make smart financial decisions every day.

WE'RE AUTHORITATIVE. Our multidisciplinary, industry-focused teams deliver the inside perspective you need to balance even the most complex financial situations.

WE'RE CONSULTATIVE. We reach beyond traditional CPA services, providing integrated financial and business advisory services that deliver measurable results.

AND WE'RE TRUSTED. We build close relationships with you, driving stronger, more informed recommendations you can trust.

FORENSIC AND LITIGATION SERVICES

**WE DELIVER THE
EXPERTISE YOU NEED,
EXACTLY WHEN YOU
NEED IT.**

SIMPLIFYING EVEN THE MOST COMPLEX FINANCIAL ISSUES.

Anders provides the deep analysis and expert guidance you require.

Litigators turn to Anders to measure economic damages. Outside legal counsel turns to us when they suspect wrongdoing and need forensic investigation. Family lawyers look to us to trace assets in divorces. And business owners and individuals look to us when they want clear-cut, honest guidance on the value of their companies.

Why? Because they know they can trust our expert, in-depth analysis to provide the insight they need to overcome anything. No matter what challenges you are facing, you can trust the area's most experienced forensic, litigation and financial team. Whether delivering an expert testimony in court or providing vital research behind the scenes, Anders is always working for you.

WHAT WE CAN DO FOR YOU

LITIGATION AND DISPUTE SERVICES

Our professionals assist litigants and their legal counsel by analyzing the accounting, economic, and financial issues at the center of the commercial dispute. We serve in the capacity of privileged consulting experts, testifying expert witnesses, arbitrators, and court-appointed or independent experts.

Everything we do is based on our in-depth understanding of the litigation process, from discovery through depositions and courtroom testimony.

We work with clients in cases of:

- Breach of Contract
- Breach of Fiduciary Duty
- Business Interruption
- Corporate Representative Testimony
- Covenants Not to Compete
- Damage Quantification and Measurement
- FINRA Arbitration
- Intellectual Property Disputes
- Loss of Business Value
- Lost Profits
- Marital Dissolution Services
- Non-solicitation Agreements
- Post-acquisition Disputes
- Professional Malpractice Defense
- Trade Secret Violations

FRAUD AND FORENSIC ACCOUNTING

Anders can help you uncover fraud and then put controls in place so it won't happen again. We take a unique, phased approach that includes employee interviews and reviews of financial data and electronic correspondence. Our sophisticated techniques allow us to analyze large amounts of data to spot anomalies and questionable trends. We are there to defend your brand and your reputation - now and for the future.

Our key services include:

Investigations

- Conflicts of Interest Services
- Embezzlement
- Employee Fraud/Asset Misappropriation
- Financial Reporting Fraud
- Forensic Dispute
- Money Laundering
- Suspicious Transactions
- White Collar Crime
- Whistleblower Accusations

Corporate Compliance, Anti-Fraud Services

- Ethical Policies and Training
- Fraud Risk Management Policy Implementation
- Internal Control Assessments, Monitoring and Improvements

BUSINESS VALUATION

If you are buying or selling a business – or settling a dispute – one of the first key steps is determining and understanding real value. Of course, there are many internal and external factors involved. Our team will take a careful, measured approach to determining real value – an approach that will ensure the utmost accuracy, while allowing us to be both sensitive and responsive to your needs.
